Dear Jim,

On behalf of the Advertising students at Algonquin College, I would like to thank you for holding an exceptionally useful workshop. The DISC Personality Profile Workshop provided a lot of insightful and practical approaches to team building. In turn, you made the prospect of working in groups a lot less daunting for our students.

The workshop was practical, informative and fun! The students took away insights, tools and methodologies that will serve them well for years to come.

Once again, thank you for sharing your knowledge and providing valuable information at a very enjoyable workshop.

Sincerely yours,

Robyn Heaton  
Coordinator, Advertising Program
